4 To suspend the term of Anantnagar on his permanent appointment of Head Clerk of the Dt Excise Office, the ~~new~~ appointment to which he has been transferred should be of a permanent kind there should be no reason to believe that his new appointment will terminate within 3 years But according to the note of Branch VI it will be seen that this is temporary so far as is known at present. Unless the nature of these appointments (Cof Clerks) is regarded as permanent, the Dy Comm^r's recommendation to suspend the term of Anantnagar on his permanent appointment cannot be sanctioned.

BOM 5 Even granting that the term can be suspended, will the acting Clerks be benefited in the way expected. Will they not still continue to be sub-pro-tem.

1. Yes, they will be benefited.

The appointment will not ^{be} sub-pro-tem but substantive subject to the arrangement being reversed if the absentee turns up after the period.

BBN K. Anantha Iyer has been 18/12/12 Conference clerk since 1st Oct. 12. i.e. for over 2 years. In the note by Sr VI it is stated ~~be~~ the appointment will be continued this year & perhaps it will be continued in future also.

The point is whether in construing the note to art 60 M.S.R., the period of 2 years should be calculated from the date on which the appointment begins, or to the date on which the order suspending the lien is passed. I am of opinion that the duration of the appointment sh^d be reckoned from the former date.

If this interpretation be correct, it follows that as already 2 1/6 years have elapsed since the appointment commenced, & there is every likelihood of its continuing a year longer, if not more there is no objection to allow a suspension of the lien ~~as~~ under Art-60 as recommended.

10 I am of opinion that it would be
intolerable to give effect to such recommendations.
Appointments sanctioned for short periods
are often prolonged & ultimately exceed three
years in duration and it would cause no
end of confusion if as soon as the three
years limit is reached all appointments -
acting & S.p.t. - made during the last three
years were to be readjusted on the provision
basis. The article should be applied only
to cases in which
if at anytime we can look three years
ahead with ^{certainty} ~~confidence~~ or in cases nearly
^{satisfying} ~~approaching~~ that condition -

Ananthiengar Conference clerk of the office on his permanent appointment of Head clerk of the District Excise Office, I have the honor to state that I also agree with the views of the Excise officer and request you to be so good as to obtain the sanction of Government in the matter of getting the lien suspended under Article 60 of the Mysore Service Regulations in which case officials appointed in the arrangement will be benefitted whenever they are appointed to officiate in posts carrying higher salaries.

dated 18th June 1944

Copy of letter No.5101 / from the District Excise Officer Mysore
to the Deputy Commissioner Mysore District.

Sir,

I have the honor to state that M. Ananthiengar, permanent Head clerk of my office has been appointed as Economic Conference clerk in the District Office since 1st October 1942. In consequence thereof a chain of Sub protem arrangement has been ordered. It is felt that whenever vacancies carrying higher pay occur in the District Office and ~~elsewhere~~ elsewhere the acting incumbents in the chain of arrangements referred to above have to lose the benefit of additional emoluments by reason of the allowances being calculated on the actual pay which under the rules could only be of their permanent places. In view, therefore, of avoiding this hardship, I beg to propose that orders of Government under article 60 of the Mysore Service Regulation may kindly be obtained to suspend the lien of Ananthiengar reserving only his right to revert to his permanent place whenever it should become necessary. I may add that Ananthiengar has already been absent from his permanent post for nearly two years and it is not likely that he will return thereto within the period of 3 years as contemplated in the said article.
